

UNITED STATES NAVY

MEDICAL NEWS LETTER

Rear Admiral Edward C. Kenney MC USN
Surgeon General

Rear Admiral A. S. Chrisman MC USN
Deputy Surgeon General

Captain Malcolm W. Arnold MC USN (Ret.) - Editor

INDEX

Volume 38, Numbers 1 - 12
7 July through 15 December 1961

- ABDOMINAL surgery, for the aged, current principles governing 5:4
- Accident, radiation, evaluation and management of exposure patients 6:3
- Accidental chemical poisoning, epidemiology of 6:30
- Accidents, motor vehicle - 1960 8:5
- Achromobacter, in hospital water 9:24
- Acid applicator, capillary tube, for verrucae 10:17
- Admission rate (U.S. Navy), decline in 8:4
- Advanced warfare, medical aspects of 6:18
- Aerobacter, in hospital water 9:25
- Aerospace medicine, announcement of courses in 3:18
- Age, and automotive accidents 3:12
- Aged, abdominal surgery for the 5:4
- Aging in U.S.A., profile of the 5:14
- Alcaligenes, in hospital water 9:24
- Alcohol, driving when under the influence of 3:33
- Alkaline phosphatase, and kidney injury 4:5
- Amalgam restorations (dental), mechanical failure of with and without cement bases 10:30
- American Board Certifications 8:17
- American Board Certifications, Inactive Reserve 3:31
- American Board of Obstet & Gynec, examination requirements 7:19, 11:21
- American Podiatry Association Meeting, military symposium at 2:31
- Anderson, G.W. Jr, Adm USN, new President, Navy Mutual Aid Assn. 4:15
- Anesthesia, spinal neurological sequelae of 11:12
- Announcement, of courses in aerospace medicine 3:18
- Anthrax, inhalation 4:18
- Anticoagulant therapy, dosage schedules in 3:3
- Antihistamines, and corticosteroids, in oral surgery 9:33
- Antismog devices, automobile 7:40
- Anxiety neurosis, medico-legal item 10:22
- Armed Services Medical Regulating Office 11:16
- Artificial teeth, transition from natural to 9:30
- Association of Military Surgeons, annual meeting of the 9:40
- Association of Military Surgeons of U.S., new officers of 11:19
- Asthma, steroid treatment of since 1950, evaluation of 2:3
- Auditory canal, hair in, associated with hiccups 6:13
- Australorbis glabratus, demonstrated control of by Marisa cornuarietis in Puerto Rico 9:26
- Autogenous skin grafts, in control of hemophilic bleeding 8:12
- Automatic data processing, panel on 4:17
- Automobile Antismog Devices 7:40
- Automotive accidents, and age 3:12
- Autopolymerizing resin splint, contact glossitis from 2:24
- Aviation medicine, training and research tools in 12:33
- BACTEREMIA, pseudomonas, review of 91 cases 9:8
- Bacteria, in hospital water 9:24
- Bacterial meningitis, review of 294 cases of 7:3
- Bat rabies, in Pennsylvania and New York 5:13
- Bell's palsy, prognosis in 6:11
- Benzene, sodium pellets in, cause injury 10:23
- Biopsy Diagnosis - Periarthritis Nodosa 7:15
- Blood, bacterial invasion of, following oral surgical procedures 3:24
- Blood dyscrasias, and hemorrhagic disturbances, mucocutaneous changes in 9:10
- Bowel obstruction, clinical management of 5:6
- Brain tumor treatment, Navy-sponsored cyclotron pioneers in 10:15
- Burn, thermal, myocardial function in 10:18
- Burns, extensive, treatment of 7:15
- CANCER
- of the breast, early results of a clinical study of 3:9
- of the thyroid and irradiation 7:14
- Carbon tetrachloride, liver and kidney damage from exposure to 7:39
- Carcinoma
- in nontoxic nodular goiter 3:6
- thyroid, childhood 7:18
- Cardiac massage, external 9:13
- Cell medium, human skin 7:11
- Chagas' disease, Trypanosoma cruzi, the etiologic agent of 12:15
- Chemical poisoning, accidental, epidemiology of 6:30
- Chemotherapy
- mass treatment, and mosquito control, effective against filariasis in Tahiti 9:26
- of malaria 9:26
- Childhood Thyroid Carcinoma 7:18
- Children, motivation of, in practice of good oral hygiene 1:17
- Chloroquine
- in malaria control 9:28
- phosphate therapy, associated with retinopathy 4:6
- resistance, in Plasmodium falciparum 4:8
- Cholera epidemic, in Manila, U.S. Naval Medical Research Unit #2, aids in treatment of 11:21
- CNO addresses Hospital Administration School Graduates 1:14
- Colitis, ulcerative 7:8
- Contact lenses, and eye hazards 5:40
- Contaminants, liquid oxygen, observations on effects of 8:30
- Correspondence Course NavPers 10998-1, announcement of discontinuance of 12:26
- Corrosion, in dental amalgam restorations 2:23
- Corticosteroids, and antihistamines, in oral surgery 9:33
- Criteria, medical, for passenger flying 1:3
- Cutaneous effects, associated with curing epoxy resins 5:32
- Cyclotron pioneers, Navy sponsored, in brain tumor treatment 10:15
- DASA - TRIGA Mark-F Reactor/Training 4:14
- Dengue, role of the mosquito in transmission of 11:32
- Dental amalgam restorations, corrosion in 2:23
- Dental care, for military dependents 5:3
- Dental caries
- control of, with sodium fluoride tablets 2:25
- inheritance of, studies on the 6:38
- Dental discoveries, in tooth decay 5:23
- Dental equipment, higher speed, noise levels of 7:30
- Dental materials, investment ingredients, separation of 5:23
- Dental Mission, Russian, visits Naval Dental School 1:19
- Dental officers, training for at sea 2:26
- Dental operating room lavatory, conversion of 1:19
- Dental pulp (human), effect of various procedures on 6:37
- Dental X-ray Machine, monitoring of the 2:26
- Dentistry, preventive, in the Navy 5:26
- Deafness, immediate, and speech defects 3:22
- Dependents, of military personnel, dental care for 5:3
- Dermatitis, patch testing in, from the newer resins 10:23

NOTE: Figures indicate the number of issue and page in Volume 38 of the News Letter. For example, Accidents, motor vehicle - 1960, 8:5 indicates that this item may be found in Vol. 38, No. 8, Page 5.

- Diabetes mellitus, detection of 8:16
 Diarrheal diseases, in the U.S. Navy 6:27
 Digitalis intoxication, changing clinical picture of 1:11
 Dihydroxyacetone, for skin tanning, use of for 10:22
 Directives
 BuMed Instructions
 1520.8 Medical aspects of advanced warfare 6:18
 1520.8 Medical officers' course in Radioisotope Techniques and Nuclear Medicine 10:18
 1520.10B Residency training of Medical officers; application for 6:20
 1520.12A CH-1 MSC Training Program 7:20
 5100.1B Storage, handling, and tagging of cylinders 11:35
 5100.3 Storage of flammable liquids in domestic type refrigerators; hazards of 8:18
 6000.3 Reporting births and deaths in cooperation with other agencies 8:19
 6250.2B Disinsection of naval vessels and aircraft 6:19
 6270.3A Threshold limit values for toxic materials 12:18
 6270.5 Screening test for lead absorption 7:20
 10110.2 CH-1 Hospital food service program 6:20
 BuMed Notice
 1510 Career incentive available to Group X (Medical) rates 6:20
 6230 Influenza vaccination program 5:20
 7320 Selected production equipment property record cards; submission of copies 6:20
 BuPers Instruction
 1306.72 Assignment of certain enlisted patients to medical holding companies established at naval activities 8:19
 OpNav Instruction
 5500.40A Downgrading and declassification program for military publications 5:16
 SecNav Instruction
 6100.1 - Physical Fitness Program 8:18
 Directives (Reserve), current, look for your answers in 9:38
 Directives and references, answers to Naval Reserve questions in 9:39, 10:34
 Disabled, measuring the work capacity of the 5:37, 7:33
 Disease
 food borne outbreaks of, unknown etiology of 6:36
 Mesenteric Adenitis, unusual outbreak of in New York State 8:15
 Disease Vector Control Centers of the U.S. Navy 3:37
 Diseases,
 diarrheal, in the U.S. Navy 6:27
 human, role of mosquitoes in transmission of 11:32
 Diving, sport, personality consideration in 1:26
 Dosage schedules, in anticoagulant therapy 3:3
 (The) Drinking Driver: Survey of 100 Cases 3:33
 Driver, the drinking 3:33
 Drivers, motor vehicle, techniques for 8:3
 Drugs, toxicity of, in the neonatal period 5:9
 Dusting powder, malathion, safety of for louse control 6:29
 EASTERN Encephalitis, role of the mosquito in transmission of 11:33
 Eating utensils, field test for cleanliness of 1:38
 Eaton Agent Pneumonia 6:7
 Effects, comparative nuclear, of biomedical interest 2:12
 Electric activity, of gastroduodenal junction 12:19
 Embolectomy, pulmonary 7:5
 Encephalitis, role of the mosquito in transmission of 11:33
 Epidemiology, of accidental chemical poisoning 6:30
 Essay contest, announced by Naval Institute 6:19
 External cardiac massage 9:13
 Eye hazards, and contact lenses 5:40
 FHIAA Award 5:16
 Field test, for cleanliness of eating utensils 1:38
 Filariasis
 in Tahiti, mosquito control and mass chemotherapy effective against 9:26
 role of mosquitoes in transmission of 11:33
 Films
 Radiation Protection in Nuclear Medicine, information release on 4:16
 training, (new) 10:36
 Fish poisoning, NAS Barbers Point, Hawaii 9:29
 Fistula, oral, diagnosis and treatment of 12:36
 Flashlights, procurement of 1:15
 Flavobacteria, in hospital water 9:24
 Food borne outbreaks of disease, unknown etiology of 6:36
 Food poisoning, chemical, involving fish 1:30
 Foreign bodies, surgical removal of 2:39
 Frostbite: Experience with Rapid Rewarming and Ultrasonic Therapy 9:3, 10:3, 11:5, 12:5
 Full-mouth extraction, effects of on oral microbiota 3:23
 GALLOWAY, C. B. Radm MC USN, visits NAMRU-4 6:17
 Gangrene, ischemic, without major organic vascular occlusion 9:10
 Gasoline, acute intoxication from 5:35
 Gastric resection, complications following 4:12
 Gastroduodenal Junction, electric activity of 12:19
 Genes, and the pigment cells of mammals 6:9
 Glossitis, contact, from autopolymerizing resin splint 2:24
 Goiter, nontoxic, nodular, carcinoma in 3:6
 Gonorrhea, detection of, in asymptomatic females 1:37
 Graphs and slides, use of in scientific lectures 12:38
 HAZARDS, in use of isopolyesters as maintenance coatings 2:32
 Heart, effects of radiation on the 4:13
 Heat casualties, prevention of in Marine Corps recruits 4:12
 Heat stroke, therapy of, critique on 3:14
 Hemophilic bleeding, control of, use of autogenous skin grafts in 8:12
 Hemorrhagic disturbances and blood dyscrasias, mucocutaneous changes in 9:10
 Hemostasis, impairment of in urinary tract, role of urokinase in 5:8
 Hemostatic agents, reevaluation of 5:22
 Hiccups, associated with hair in the external auditory canal 6:13
 Hollis, Thomas L. Cdr MSC USN, receives certificate of membership in the American College of Hospital Administrators 6:16
 Human dental pulp, effect of various procedures on 6:37
 Human Skin Cell Medium 7:11
 Hurricane Carla, Task Force 135 aid in 9:19
 Hygiene, oral, motivation of children in practice of 1:17
 Hypernatremia, experimental, pathologic lesions in 7:7
 Hypothyroidism, misdiagnosis of 12:12
 IMMUNIZATION information for International Travel 12:17
 In Memoriam 8:19
 Industry, the pregnant woman in 2:36
 Infection, unsuspected urinary tract, in pregnant and toxemic patients 8:8
 Infections, staphylococcal, in hospitals 7:17
 Inhalation, is it possible to differentiate air from oxygen by 12:27

NOTE: Figures indicate the number of issue and page in Volume 38 of the Medical News Letter. For example, Accidents, motor vehicle - 1950, 8:5 indicates that this item may be found in Vol. 38, No. 8, Page 5.

- Inhalation Therapy Department, U. S. Naval Hospital, San Diego, Calif. 9:18
- Inheritance, of dental caries, studies on the 6:38
- Injection, intramuscular, technics of 2:8
- Injury
from pitch fume exposure 10:29
from sodium pellets in benzene 10:23
- Insecticides, resistance of insects to 9:22
- Insects, resistance of to insecticides 9:22
- Inservice residency training program (1962), change in deadline date of application for 3:17
- International Notes - Quarantine Measures 12:17
- Intestinal obstruction, clinical management of 5:6
- Intoxication
acute gasoline 5:35
digitalis 1:11
- Intramuscular injection, technics of 2:8
- Investigative experience, by residents 12:10
- Investment materials (dental), separation of ingredients of 5:23
- Irradiation, and cancer of the thyroid 7:14
- Ischemic gangrene, without major organic vascular occlusion 9:10
- Isopolyesters, hazards in use of as maintenance coatings 2:32
- KALA-AZAR 6:32
- Kemp, James E., Lt MSC USN, awarded the Army Commendation Medal 12:16
- Kenney, Edward C. RAdm MC USN, sends letter of congratulations to MSC 3:40
- Kidney and liver damage, from exposure to carbon tetrachloride 7:39
- Kidney injury, and alkaline phosphatase 4:5
- Kveim Test in sarcoidosis 2:6
- LATERAL jaw roentgenograms, bone-soft-tissue relation in 12:38
- Lavatory, dental operating room, conversion of 1:19
- Lead absorption, screening test for 7:20
- Lead Problem, outline of current knowledge and opinion of the 7:35
- Leberman, Paul R. Capt USNR, honored by American Medical Association 8:25
- Lectures, scientific, visual aids in 12:38
- Lindane poisoning, a fatal case of 6:28
- Lipoid pneumonia, x-ray of 7:16
- Liquid oxygen contaminants, observations on effects of 8:30
- Liver and kidney damage, from exposure to carbon tetrachloride 7:39
- Local anesthetics, untoward reactions to 1:17
- Look for Your Answers in Current Directives 9:38
- Louse control, malathion dusting powder for, safety of 6:29
- MALARIA
chemotherapy of 9:26
role of the mosquito in transmission of 11:32
- Malathion dusting powder, safety of for louse control 6:29
- Malignancy, vena cavagraphy in management of 10:7
- Mammals, genes and the pigment cells of 6:9
- Marine Corps recruits, prevention of heat casualties in 4:12
- Marisa cornuarietis, controls Australorbis glabratus in Puerto Rico 9:26
- Mazzone, Walter F. Cdr MSC USNR, presented Gold Star by Secretary of the Navy 6:16
- Medical aspects, of advanced warfare 6:18
- Medical Benefits, Veterans 1:18
- Medical criteria, for passenger flying 1:3
- Med. Dept. U. S. Army, World War II, Prev Med Series 3:16
- Medical officers' course, in Radioisotope Techniques and Nuclear Medicine 10:18
- Medical Service Corps, receives letter of congratulations from Surgeon General 3:40
- Medicine, aviation, training and research tools in 12:33
- Medicolegal forms, patient consent to observers and photos 9:20
- Medico-Legal Item: Anxiety Neurosis 10:22
- Meningitis, bacterial, review of 294 cases of 7:3
- Mesenteric Adenitis, outbreak of - resembling appendicitis 8:15
- Military Symposium, at American Podiatry Association Meeting 2:31
- Mirror, Mirror on the Wall 3:31
- Mobile Surgical Teams 2:17
- Mobilization, partial, USNR Units, men ordered to AcDu 10:37
- Monitoring, of the Dental x-ray machine 2:26
- Mosquito control, and mass chemotherapy, effective against filariasis in Tahiti 9:26
- Mosquitoes, role of in transmission of human disease 11:32
- Motor Vehicle Accidents - 1960 8:5
- Motor vehicle drivers, techniques for 8:3
- MSC Training Program 7:20
- Mucocutaneous changes, manifestations of blood dyscrasias and hemorrhagic disturbances 9:10
- Myocardial function, in thermal burn 10:18
- NARCOLEPSY, misdiagnosed as hypothyroidism 12:12
- Naval Hospital
St. Albans, N. Y., oxygen therapy service at 6:14
San Diego, Calif., Inhalation Therapy Department at 9:18
- Naval Institute, announces essay contest 6:19
- Naval Medical Research Reports 2:20, 10:39, 12:19
- Naval Medical Research Unit #2, aids in combating cholera epidemic in Manila 11:21
- Naval School of Aviation Medicine, opened 22 years ago 4:21
- Navy Ensign Medical Program 7:22
- Navy-Sponsored Cyclotron Pioneers in Brain Tumor Treatment 10:15
- Neomycin, ototoxicity of 3:13
- Neonatal period, toxicity of drugs in 5:9
- Neurological sequelae, spinal anesthesia as cause of 11:12
- New York State, unusual outbreak of disease (Mesenteric Adenitis) in 8:15
- Nicotinic acid (niacin) poisoning - Pennsylvania 12:18
- Noise levels, of higher speed dental equipment 7:30
- Nuclear effects, comparative, of biomedical interest 2:12
- Nuclear Medicine and Radioisotope Techniques, Medical officers' course in 10:18
- OBST & Gyn, American Board Exams in 7:19
- Officers (Reserve)
inactive duty, promotion of 8:22
with 20 years satisfactory service to be removed from pay status 9:37
- Open letter, to all Naval Dental Personnel 6:37
- Operation Deep Freeze '63, volunteers invited for 10:14
- Ophthalmic Pathology, course in 7:18
- Oral fistula, diagnosis and treatment of 12:36
- Oral Hygiene, training film on 5:15
- Oral microbiota, effects of full-mouth extraction on 3:23
- Oral surgery, antihistamines and corticosteroids in 9:33
- Oral surgical procedures, bacterial invasion of blood following 3:24
- Organic acids, and aphthous stomatitis 8:26
- Ototoxicity, of neomycin 3:13
- Oxygen, is it possible to differentiate by inhalation from air 12:27

- Oxygen cylinders, storage, handling, and tagging of 11:35
 Oxygen Therapy Dept., USNH, San Diego, Calif. 9:18
 Oxygen therapy Service, in U.S. Naval Hospital, St. Albans, N. Y. 4:9, 6:14
- PANEL, on automatic data processing 4:17
 Paracolon bacteria 9:25
 Passenger flying, medical criteria for 1:3
 Patch testing, in dermatitis from the newer resins 10:24
 Pathologic lesions, in experimental hypernatremia 7:7
 Pathology, ophthalmic, course in 7:18
 Patient, consent of to observers and photos, medicolegal forms for 9:20
 Patients, radiation accident exposure, clinical evaluation and management of 6:3
 Pay status (Reserve), officers with 20 years satisfactory service to be removed from 9:37
 Periapical Repair (dental), by dense fibrous connective tissue 7:27
 Periarthritis Nodosa, biopsy diagnosis of 7:15
 Personality Consideration in Sport Diving - Case Presentation 1:26
 Pesticides, Public Health 1:34
 Pheochromocytoma, Polycythemia secondary to 4:3
 Photos and observers, patient consent to medicolegal form for 9:20
 Physical standards modified, for submarine duty 1:28
 Pigment cells, of mammals 6:9
 Pilonidal sinus, office treatment of 8:9
 Pitch fume exposure, causes disabling injuries 10:29
 Plague, in New Mexico 5:13
 Plasmodium falciparum, chloroquine resistance in 4:8
 Pneumonia
 Eaton agent 6:7
 Lipoid, x-ray of 7:16
 staphylococcal 5:5
 viral, research project on at NAMRU-4 6:17
 Poisoning
 accidental chemical, epidemiology of 6:30
 fish, NAS Barbers Point, Hawaii 9:29
 food, Salmonella infantis 11:35
 Lindane, a fatal case of 6:28
 niacin, in Pennsylvania 12:18
 of fish with sodium nitrite 1:30
 Poliomyelitis vaccine (Sabin type 1), effect of 6:34
 Polycythemia, secondary to pheochromocytoma 4:3
 Precautions, for swimmers 2:16
 Pregnancy, unsuspected urinary tract infections 8:8
 (The) Pregnant woman, in industry 2:36
 Preventive dentistry, in the Navy 5:26
 Preventive medicine series, history of Medical Dept., U.S. Army in World War II 3:16
 Primaquine, in malaria control 9:28
 Procurement, of flashlights 1:15
 Profile of the Aging - U. S. A. 5:14
 Prognosis, in Bell's palsy 6:11
 Promotion (Reserve), of inactive duty officers 8:22
 Pseudomonas bacteremia, review of 91 cases 9:8
 Psychiatric considerations, in surgery 3:7
 Psychiatric therapy, modern trends in 10:8
 Public Health Pesticides 1:34
 Publications, military, downgrading and declassification of 5:16
 Pulmonary embolectomy 7:5
- QUINOCIDE, in malaria control 9:28
- RABIES, bat, in Pennsylvania and New York 5:13
- Radiation, effects of on the heart 4:13
 Radiation accident exposure patients, clinical evaluation and management of 6:3
 Radiation Protection in Nuclear Medicine, information release on new film on 4:16
 Radioisotope Techniques and Nuclear Medicine, Medical officers' course in 10:18
 Radioisotopes, sealing of pulpless teeth evaluated with 11:22
 Reevaluation of Hemostatic Agents 5:22
 References, and directives, answers to Naval Reserve career questions 9:39, 10:34
 Report on surgical observations, in the Far and Middle East 7:12
 Reports, research, Naval medical 2:20
 Research, value of to the physician 12:11
 Research Reports, Naval Medical 2:20, 5:20, 10:39, 12:19
 Research tools, in aviation medicine 12:33
 Resection, gastric, complications following 4:12
 Reserve, Naval
 AcDuTra
 The Berry Plan 1:21, 2:28, 3:27
 opportunities for training 5:29, 6:23
 pay, rules for speeding 3:30
 change of mailing address 10:38
 directives, listing of 9:39, 10:34
 Ensign Medical Program 7:22
 InAcDuTra, submarine medicine (for male MC and MSC officers) 8:25
 officers, removal of from pay status after 20 years satisfactory service 9:37
 promotion of inactive duty officers 8:22
 report of beneficial active duty for training 6:25
 retirement, latest policies and procedures for 11:37, 12:22
 units, men ordered to AcDu 10:37
 Reserves, directives concerning 9:38
 Residency Training, value of research experience and 12:11
 Residency Training Program, Inservice (1962) 3:17, 7:19
 Resins
 newer, patch testing in dermatitis from the 10:24
 Teflon fluorocarbon, handling and use of 10:23
 Resistance of insects, to insecticides 9:22
 Restorations (dental), amalgam, mechanical failure of with and without cement bases 10:30
 Restricted-Activity days 8:7
 Retinopathy, associated with chloroquine phosphate therapy 4:6
 Retirement (Reserve), latest policies and procedures for 11:37, 12:22
 Rewarming (rapid) and ultrasonic therapy, experience with in frostbite 9:3, 10:3, 11:5, 12:5
 Roentgenograms, lateral jaw, bone-soft-tissue relation in 12:38
 Rupture, traumatic, in eighty-three cases of normal spleen 5:10
 Russian Dental Mission Visits Naval Dental School 1:19
- SAFETY, of malathion dusting powder, for louse control 6:29
 St. Louis Encephalitis, role of the mosquito in transmission of 11:33
 Saliva, human, thromboplastic activity of 8:25
 Salmonella infantis, food poisoning from 11:35
 Sarcoidosis, Kveim test in 2:6
 Sarcoma, osteogenic, of the uterus 5:12
 Schantz, C. W. Radm DC USN, sends open letter to Naval Dental Personnel 6:37
 Schistosoma mansoni, control of snails harboring 9:26
 School of Naval Aviation Medicine opened 22 years ago 4:21

- Shelter tests, NNMC, underground 9:17
- Skin grafts, autogenous, in control of hemophilic bleeding 8:12
- Slides and graphs, use of in scientific lectures 12:38
- Smallpox vaccine, lyophilized, availability of 6:27
- Society affiliations, of Medical officers of the U.S. Navy 8:17
- Sodium fluoride, tablets for children 2:25
- Sodium pellets, in benzene cause injury 10:23
- Special Training Courses 2:18
- Speech defects, and immediate dentures 3:22
- Spinal anesthesia, neurological sequelae of 11:12
- Sport diving, case presentation - Personality consideration in 1:26
- Steroid treatment of asthma since 1950, evaluation of 2:3
- Submarine duty, physical standards for, modification of 1:28
- Sodium nitrite, poisoning of fish with 1:30
- Spleen, normal, traumatic rupture of in 83 cases 5:10
- Staphylococcal infections, in hospitals 7:17
- Staphylococcal pneumonia 5:5
- Stomatitis, aphthous, and organic acids 8:26
- Submarine medicine, training in 8:25
- Supply level tables (dental) 11:25
- Surgery
- abdominal, for the aged 5:4
 - oral, corticosteroids and antihistamines in 9:33
 - psychiatric considerations in 3:7
- Surgical observations, in the Far and Middle East, report on 7:12
- Surgical Removal of Foreign Bodies 2:39
- Surgical teams, mobile 2:17
- Swimming, precautions in 2:16
- TASK Force 135, praised for aid to Southern Gulf Coast 9:19
- Teeth
- artificial, transition from natural to 9:30
 - pulpless, sealing of, evaluated with radioisotopes 11:22
- Teflon fluorocarbon resins, handling and use of 10:23
- Temporomandibular joint dysfunction (dental), and facial pain 7:29
- Tests, shelter, underground 9:17
- Therapy
- anticoagulant, dosage schedules in 3:3
 - of heat stroke, critique on 3:14
 - psychiatric, modern trends in 10:8
- Thermal burn, myocardial function in 10:18
- Thromboplastic activity, of human saliva 8:25
- Thyroid carcinoma, childhood 7:18
- Tissue culture, from kidneys wounded by high velocity missiles 5:10
- Tooth decay discoveries 5:23
- Toxicity, of drugs, in the neonatal period 5:9
- Tracheotomy, its complications and their management 8:14
- Training
- course, medical aspects of advanced warfare 6:18
 - in Ophthalmic Pathology 7:18
 - in Radioisotope Techniques and Nuclear Medicine, for Medical officers 10:18
- Training course (continued)
- in submarine medicine, for male InAcDu Naval Reserve MC and MSC officers 8:25
 - TRIGA Mark-F Reactor 4:14
 - for Dental officers at sea 2:26
 - MSC Training Program 7:20
 - opportunities for, in the Naval Reserve 5:29, 6:23
 - panel on automatic data processing 4:17
 - Residency Training Program - 1962 Inservice 7:19
- Training films
- new 10:36
 - Oral Hygiene 5:15
 - Radiation Protection in Nuclear Medicine 4:16
 - Treatment, of extensive burns 7:15
 - TRIGA Mark-F Reactor, DASA training course in 4:14
 - Trypanosoma cruzi, isolated from opossums and kissing bugs - Alabama 12:15
 - Tuberculosis, among naval personnel (shipboard) 11:28
- ULCERATIVE colitis 7:8
- Ultrasonic therapy and rapid warming, experience with in frost-bite 9:3, 10:3, 11:5, 12:5
- Underground shelter tests, NNMC 9:17
- Ureteral obstruction 5:9
- Urinary tract infection, unsuspected, in pregnant and toxemic patients 8:8
- Urokinase, role of in impairment of hemostasis in urinary tract 5:8
- U.S. Naval Hospital, St. Albans, N.Y., oxygen therapy service at 4:9
- U.S. Navy admission rate, decline in 8:4
- U.S. Navy Disease Vector Control Centers 3:37
- U.S. Navy Task Force 135, praised for aid to Southern Gulf Coast 9:19
- USNR Units, men ordered to active duty 10:37
